

LIFE DRAWING AND PAINTING CLASSES EACH WEEK IN SYDNEY

TUESDAY, WEDNESDAY & FRIDAY

SUITABLE FOR EVERYONE BEGINNERS WELCOME!

When you attend you will learn to draw and paint using the classical methods as taught by the great masters of Europe. This will include exploring perspective and how to use a variety of drawing and painting mediums.

The key to these groups is to develop your own style whilst learning to create shades and shapes by diversifying the tones of your colour palette. Drawing develops your knowledge of charcoal, pastels, pencil and how to use your eraser as a drawing tool.

All this will take you forward in your journey to creating paintings that are all about you.
